

PAC/AAPAC/DELAC Meeting  
 Thursday, December 3, 2020  
 5:30-7:30 pm  
 Video Conference via WebEx

AUSD is testing out a new format for our district-wide parent meetings during the 2020-2021 school year. We will first meet virtually as a collective group and from there we will break into groups based upon personal connections to the District English Learner Advisory Committee (DELAC), the African American Parent Advisory Committee (AAPAC), or the Parent Advisory Committee (PAC). This will help build on our greater community, while allowing time for groups to breakout into affinity groups to participate in focused conversations.
