Tips to completing the online registration/data confirmation

- ✓ Put the Aeries parent portal link in a **web browser (not the app)**
- ✓ Make sure you use a **parent account**, not the student account.
- ✓ In the yellow ribbon at the top click the **“Click Here”** section to start the data confirmation process
- ✓ Make sure you click the **confirm and continue button** and complete every tab, until you get to **final data confirmation**
- ✓ Note it will not let you update the address, if you try to change this field someone from our staff will contact you to set up an appointment to show proof of address change
- ✓ Here is a video to assist with the process: <https://youtu.be/O5fBg3mMkeQ>
- ✓ Below are some screenshots of the process

The screenshot shows the top navigation bar of the Aeries parent portal. On the left is the Antioch Unified School District logo. Next to it is the school year '2017-2018' and the school name 'Screaming Eagle High School'. On the right is the user's email address 'parent@aeries.com' with a dropdown arrow. Below the navigation bar is a horizontal menu with links: Home, Student Info, Attendance, Grades, Medical, Guidance, Test Scores, Programs, and Change Student. A yellow banner below the menu contains the text: 'You have not yet completed the Student Data Confirmation Process. Click Here to confirm the information about your student.'

The screenshot shows a registration form with a sidebar on the left containing a list of steps: Family Information (checked), Student (checked), Contacts (checked), Medical History (checked), Documents (checked), Authorizations (6), and Final Data Confirmation (7). A 'Confirm and Continue' button is at the bottom of the sidebar. The main content area is titled 'Please select whether or not at least one parent/guardian of this student is active in the United States Armed Forces:'. There are two radio button options: 'Yes, at least one parent/guardian of this student is active in the United States Armed Forces.' (checked) and 'No, this student does not have a parent/guardian who is active in the United States Armed Forces.'
